COUNTY FATHERS HAVE MEETING

The board of Supervisors met in regular session, Monday, December 6th, at 10 a. m., there being present Jos. M. Francis, presiding, Jas. T. Casey, Wm. H. Brown, John MacBain, and C. V. Thompson.

The minutes of the meeting of November 15th were read and approved.

The report of Horticultural Commissioner Newton Peck was received and ordered filed. The report showed that he had inspected during the month 1564 plants, trees and shrubs, also two car-loads of potatoes, all of which had passed inspection.

The report of James R. Eubanks, superintendent of the County Farm and Hospital, showed that during the month of October he had taken care of 57 inmates, of which number 13 were discharged. Gordon Rowe Company, the expert presented a written report, showing that they had made an audit and examination of the books and accounts of the office of Former County Recorder H. O. Heiner and found that there was due from the former recorded the sum of $115.90, balance unpaid upon collections made by him. The report was received and ordered filed.

The following supplemental report of Ex-County Recorder Harold O. Heiner was received and ordered filed:

The following persons having complied with the county ordinance and furnished the required bond, were granted liquor licenses:

The following applications will be acted upon a month hence:

Fifth township—McCormick & Son, Pescadero.

A communication was received from Maymie Crowley of Granada, asking that she be allowed to withdraw her application for a class C liquor license. Tax Collector McSweeney addressed the board and reported that Tom Quinlan and Fred Salcahder had not renewed their class A liquor license in the Fourth township, although they still continue to run their places of business.

On motion of MacBain, seconded by Casey, it was ordered that the above parties be notified to either renew their licenses at once or close their saloons.

This was the day set for the opening of bids for the construction of a guard fence on the Redwood City to San Gregorio road, beginning at the Woodside-Portola road.

Surveyor Neuman addressed the board and reported that Blanchard-Brown and Company had not yet completed their contract on the above road and that it would be impossible to proceed with the construction of the guard fence for several months. It was therefore ordered, on motion of MacBain, seconded by Casey, that all bids be rejected and returned to the respective bidders together with their checks.

A communication was received from Dr. Cora Snowdon of San Francisco, complaining about the increase in taxes on her property in Burlingame. The communication was ordered filed.

H. F. Boxner addressed the board in reference to the claims of Dugan and Company of San Francisco, amounting to $74, for supplies furnished H. B. Jones, formerly in charge of the squirrel extermination. Action on the claims was laid over until next Monday..

MacBain, the following claims were ordered paid out of their respective funds:

On motion of Casey, seconded by Brown, an application for State aid for four half orphan children in the First township was granted.

A communication from the Fidelty and Deposit Company of San Francisco notifying the board of the cancellation of the policy of the Workmen's Compensation insurance of the Howard and Ellison Company, was ordered filed.

The communication was ordered filed.

Supervisor MacBain addressed the board and stated that he had been requested by the committee of eighteen, appointed to select school sites in the Redwood City district, to present the matter of cutting a road from Redwood avenue to the Woodside road across the Kentfield property. The purpose of the proposed road was to establish a direct thoroughfare for the school children going either from the Redwood avenue district to the Wodside road district or visa versa, it having been definitely decided that a school would be established in one of the above districts.

SOME WORK AHEAD

The majority in congress will not meet in the same mood next week that they were in when they convened two years ago. Then the thought was: "At last we will show 'em." Now the thought will be, "What kind of a showing can we make to save our faces, and at the same time have a little something to our credit for the next summer's campaign?"

When they attained to power, they proceeded, against every protest, to smash the protective tariff which has a little fenced the American field against the starving stock of the outside world. And when they had completed that work they held a praise service of thanksgiving, the praise being mostly praise of themselves. In this President Wilson was the chief tenor and Mr. Underwood, the deep-chested contralto.

They praised, to, a far-reaching income tax law.

Now the results show that despite the great increase of revenue from the income tax there is a mighty deficit and it is plain that except for vastly increased business due to the war, business generally would be so dead today that their party would be in a state of hopeless coma.

The operation of the present tariff smashing law, was suspended, on some articles, at the time of the passage, for twenty months. The tariff on sugar was one that was suspended.

Now we hear that the tariff on sugar is to be continued, "for revenue only," as though any tariff was ever levied for any other purpose.

There will be a tremendous effort, evidently, to set the shipyards ringing on new ships, the necessity being laid to the war board, as though that necessity had not been just as apparent every hour for a quarter of a century past, as it is today. And how to run that new fleet by making up its deficit out of the treasury instead of imitating the great marine nations, will require some more very adroit reasoning.

When the program shall be completed, we shall be able to see how much more effective is the prospect of a political campaign in the immediate future to restore our merchant marine than the example of the great ocean-carrying nations through the past thirty years has been.

We are all waiting to see whether any change will be recommended of that policy which Mr. Pinchot inaugurated a dozen years ago which, briefly stated, was, "Our most benevolent government wants the eager pioneer to go on the waste places of the west and occupy and subdue them, but we caution those pioneers that if they find anything out of which they may nurse a hope of making a living, we shall be constrained to spread a reservation over it in the interest of all the people of the country and some others who may come to us from beyond the sea."

There are many other subjects which should worry the majority a little; such as our place as neutrals, the Mexican program that has been pursued, the possibility of having to issue bonds to keep the gold reserve solid, etc. It is not going to be altogether a holiday for the majority this winter.

PASSING OF JOHN F. C. WINKLER, WELL-KNOWN WOODSIDE MAN

John F. C. Winkler, the oldest member of the well-known Winkler family of Woodside and for many years associated with his father in the blacksmithing and wheel-wright business at that place, passed away last Friday in San Francisco. Death was caused by paralysis from which the deceased had been suffering for the past year and a half. For the last few years Winkler had made his home in Redwood City with his family on Mound street.

He was a native of Austria and was aged 54 years. He leaves a wife, Johanna B. Winkler, and three sons, Louis F., Carl G., and Henry H. Winkler. There are also two brothers and one sister living.

Winkler was a member of Bay View Lodge, No. 109, I. O. O. F., of Redwood and the funeral Monday, which was held from Truman's chapel, San Francisco, was conducted by the General Relief Committee of the Odd Fellows. The interment was in Mount Olivet cemetery by automobile.

MARKIN, STREET CAR BANDIT FOUND GUILTY IN SPOKANE.

Louis Markin known as the South San Francisco street car bandit, was convicted of highway robbery and attempt to commit murder in Spokane last week. He was arrested in that city for holding up a street car and attempting to murder the conductor, shortly after he had escaped from the county jail here.

Markin is wanted by Sheriff Sheehan for holding up a street car in South San Francisco, but it is doubtful if he will ever be returned here, as it is believed by the Spokane authorities that he will be given the maximum sentence, which is forty years in the penitentiary.

When your time tolks let us look it over. We guarantee our work. George Peterson, watchmaker and jeweler.

COUNTY FATHERS HAVE MEETING

half of the building of the road.

The matter was referred to Supervisor MacBain, to take up with the school site committee and report at the next meeting of the board.

District Attorney Swart presented the proceedings relative to the school bond election that was held at San Bruno, November 8th, at which a total of 205 votes were cast, 158 of which were in favor of the bonds, 32 against, and 15 votes were mutilated and not counted. On motion of Casey, seconded by MacBain, resolutions were adopted declaring the result as shown and authorizing a bond of $20,000 for a new school building.

On motion of MacBain, seconded by Brown, the clerk was instructed to notify the Pacific Telephone and Telegraph Company to install a phone in the office of the county librarian.

An ordinance dividing the county into seventy-four election precincts and establishing the boundaries thereof, was adopted on motion of Casey, seconded by Brown.

On the recommendation of County Surveyor Neuman and on motion of MacBain, seconded by Casey, the following contracts were accepted as completed:

Portion of Colma to Halfmoon Bay road, known as Route 2, Division 3, Section 2, under contract with the Spring Construction Company.

Portion of Colma to Halfmoon Bay road, known as Route 2, Division 2 and portion of Route 2, Division 3,

A report from Surveyor Neuman showing a refund of $71.88 from D. Flynn on his contract for a portion of the Redwood City to San Gregorio road, on account of an over-payment, was received and ordered filed.

S. D. Merk of the Burlingame Advance addressed the board in behalf of the San Mateo County Press Association and in the matter of the ordinance to be drafted by the supervisors this month, fixing the scale of prices for county printing. Mr. Merk spoke about the low prices allowed the printers under the present ordinance and he asked that the board appoint a committee to meet with a committee from the Press Association to take up this matter before the adoption of the new ordinance.

Chairman Francis thereupon, on motion of Brown, seconded by Casey, appointed the Finance Committee together with the District Attorney and the chairman, to meet with the printers on Wednesday.

District Attorney Swart presented a deed from Elizabeth T. Sheehan and Mary Rodgers Lee, whereby they convey to the County of San Mateo a strip of land 60 feet in width and containing 0.39 acres, said land being situated in Lobitos. The deed was ordered accepted and filed.

District Attorney Swart presented a deed from Frank M. Chapman, whereby he conveyed a piece of property to the county for a right of way at Portola.

On motion of MacBain, seconded by Brown, it was ordered that a warrant be drawn in favor of Chapman for the said property, that upon receipt of the deed to said property, the clerk record same and it was further ordered that the surveyor proceed with the fencing of said property, as specified in the county.

District Attorney Swart presented the proceedings relative to the Redwood City school district bond election, held November 2, at which two propositions were submitted to the electors. On Proposition No. 1, 520 votes were cast, of which number 470 were in favor of the bonds and 50 against. On Proposition No. 2, 529 votes were cast, of which number 474 were in favor of the bonds and 55 against.

On motion of Casey, seconded by Thompson, a resolution was adopted declaring the result as shown and authorizing a bond issue of $48,000 for the purchase of three new school sites and the building of two additional schools.

District Attorney Swart spoke of the policy of school trustees in different districts of withholding the sale of a portion of the bonds voted for. Mr. Swart pointed out the advisability of selling all of the bonds at the present time on account of the big premiums that are being offered by the bond buyers throughout the county.

On the recommendation of Surveyor Neuman and on motion of Casey, seconded by MacBain, the following contracts were accepted:

District Attorney Swart appeared before the board in reference to the liquor license of Duarte and Bennett of Pescadero. Mr. Swart swore to an affidavit, in which he charged Manuel Bennett, one of the owners, and who is also a deputy constable, with having arrested and placed in jail on November 16th, a laborer named Frank Parsons, after the latter had been rendered helplessly drunk by liquor sold him by Bennett and his employees, and after he had been forcibly detained in the saloon of Duarte and Bennett by bystanders.

On motion of MacBain, seconded by Brown, it was ordered that Bennett be cited to appear before the board at the next meeting and show cause why his license should not be revoked.

On motion of Brown, seconded by MacBain, Supervisor Thompson was authorized to plank the Pescadero bridge where it is not yet completed.

On motion of Brown, seconded by

The board adjourned at 12:15 p. m. to meet next Monday, December 13.

LOCAL NEWS NOTES OF MENLO PARK

Interesting Paragraphs of General Interest Gathered About the Town

Mrs. Daniel Ryan gave birth to a son in San Francisco on Thanksgiving day. Mrs. Ryan was Miss Mable Martin of Menlo Park.

Rumor has it that a big business enterprise is soon to be started in Menlo Park. While nothing tangible can be ascertained regarding it, yet there seems to be some truth in the rumor.

Work on the square of the Southern Pacific Company inaugurated last week has been stopped on account of the inclement weather. The space around the depot is to be rocked and oiled and rolled.

Menlo Parlor, N. S. G. W. at its meeting held on Thursday evening elected the following officers for the ensuing term: James Bruce, past president; Donald Derry, first vice president; T. Hoff, second vice president; A. Midgley, third vice president; Philip Blanchard, marshal; L. J. Fox, inside sentinel; J. Murray, outside sentinel.

Lieutenant Joseph McMullen, formerly in the regular army, but who retired in 1916 on account of ill health, successfully passed the examination last week for re-entry into the service. He ranked high, both physically and technically. He will return to the army with his original numper and will be entitled to the rank of Captain about February next. Mr. McMullen resided at Atherton for some years before moving to Palo Alto.

A christmas card to be sold all over the United States to raise funds to aid the destitute people of Belgium and the northern France has been designed by Miss Lydia Hopkins of Menlo Park, member of the California central committee directing Belgian relief work in this State. The card bears a picture of Lolottee, a Belgian dog from Miss Hopkins' Sherwood kennels. Lolotte was born in Brussels and was brought here by Mrs. Abraham Stern.

The many friends of Mrs. J. B. Leonard will be pained to learn of her severe illness. She was quite sick last week but had partly recovered when she had a relapse on Wednesday. She has the services of a professional nurse from San Francisco.

The members of the gentlemen's and ladies' sodalities renewed their vows of consecration in the Church of The Nativity on Wednesday evening at the ceremony in honor of the Immaculate Conception. About fifty members renewed their obligations.

On account of removal to the Sequoia hotel store, Fred W. Lippman, jeweler, Redwood City, to reduce his stock, offers ten per cent off for cash on all merchandise purchased in either of his two stores until January 1st, 1916. This is an excellent opportunity to buy Xmas gifts from a new, well-selected stock, and a chance to make up your exposition expenses. Open Saturday evenings, and all evenings during Christmas week. All goods marked in plain figures at the lowest possible prices. Visitors welcome. advt.

Mr. Henderson, who occupied the Mrs. James Logan home all last summer, has purchased the Curlett place, owned by Mrs. L. D. Mills, near Sacred Heart Convent. It is said the sum of $30,000 was paid for the property. Mr. Henderson is a capitalist and one of the owners of the Orpheum circuit in San Francisco. He contemplates many improvements about the grounds and buildings. Mrs. Mills inherited the property from her father, the late J. Curlett, the noted architect. Mr. Mills is a son of the late D. J. Mills, for many years superintendent of the Bear Gulch Water Co. Mr. Henderson will move here early in Spring and with his attractive family will be quite an acquisition to the social circles of Menlo Park.

"Uncle" will be here Monday evening. There are all sorts of uncles; uncles by blood relation, uncles-in-law, uncles by courtesy, the life long bachelor friend usually of mama, uncles with three pretty little golden balls handing outside their shops. This uncle is different. A prince of a fellow with a long pocket-book and kindly dispositions toward a shiftless nephew like most uncles. But while he is every bodys' uncle he is no one's in particular; while everyone is talking about him yet no one has seen him; while no one has met him yet everyone is sure that to meet him will be the treat of their young or old lives. That's why everyone will be in the Hall of The Nativity, Menlo Park, Monday evening. Uncle will be there introduced in a most amusing way by the most amusing of local actors. And uncle will not be alone. He is bringing a whole family, such families as bachelor uncles have, with him. A nephew and a niece-in-law, the nephew's friend and the nephew's friend's deep but more or less jealous attachment, a pastry cook, all shiftless nephews have a weakness for pastry and a maid of all work who does very little work, but does a lot of trouble-making for the family and a great deal more fun making for the audience. The Times-Gazette makes it living out of its other columns and nothing at all out of this and therefore the space in this column is very limited, otherwise, we could fill the rest of this paper with analysis of the wonderful work of the different actors, as Uncle would say, Actorines. However, Monday evening at the Hall of The Nativity will reveal all. The doors will open at 8:15 o'clock.

A Success For Twenty-five Years

The San Mateo County Building and Loan Association has just completed their semi-annual report showing a very satisfactory business for the six months ending November 30th. Their assets are now $381,969. Borrowers find this an ideal way of securing their homes. A new series of investment shares has just been opened.

HAYES A LIKELY CANDIDATE FOR UNITED STATES SENATOR

Washington Again the Center of New World Interests

Nineteen sixteen already bulks big on the political horizon, and the merits of various men are being seriously discussed by those anxious of seeing their party in power.

Among those most persistently mentioned as a possible strong candidate for United States Senator by many California Republicans is the Hon. E. A. Hayes of the Eighth District, now serving his sixth consecutive term in the House of Representatives.

Mr. Hayes' political career has been an unusually interesting one. His first law case in California showed him how absolutely "The Gang" of Santa Vlara county, dominated not only politics but the courts as well.

To combat this condition Mr. Hayes entered politics by organizing the "Good Government League of Santa Clara County," which, under his leadership, ultimately defeated the "gang" and drove its grafters and crooks from the country.

Largely on account of this contest Mr. Hayes was unanimously nominated by the Republicans, in 1904, though he was not a candidate, to redeem the old Fifth District which was then represented by a Democrat, William Wynn. He was elected, and has been returned by a good majority at every election since.

His course in Congress has been characterized by great independence of action. He organized and led as Chairman, the so-called Insurgent body in the Sixty-first Congress which finally succeeded in changing the Cannon rules of the House and in depriving the Speaker of much of his power, thus giving to the individual member more power of initiative.

In spite of this indepencence, Mr. Hayes has been a very strong and consistent Republican, voting for every Republican measure and participating in every Republican cause held by the House Members since he has been a member of Congress.

Quite "under the rose" but none the less persistent are the rumors of a brilliant social season in store for Washington this winter, for the new "First Lady," it is said, is quite disposed to play the gracious hostess to the full. So Washington is looking forward with considerable eagerness to the White House wedding, which will occur before the first of the year as the precursor to extensive entertaining later in the season.

The usual diplomatic reception with its splendor of official uniforms, which has hitherto always opened the official session, will this year, out of deference to the highly sensitive feelings of European Ambassadors and Ministers, be omitted, a Pan American reception on January 7 taking its place. This will be the first reception since 1905 where Latin-American diplomats have led a reception at the White House.

Two diplomatic dinners will be given to obviate the embarrassment of entertaining diplomats of warring nations together, the first on Friday, January 21, with the French Ambassador to take the President's bride out on his arm, while the President escorts Mme. Jusserand, and the second on Tuesday, January 25, when the German Ambassador will enjoy the distinguished honor.

This will usher in the social season, which will, from all indications, be a delightful one, crowded with semi-official and private affairs. Mrs. Thomas R. Marshal, who ranks as the "second lady of the land" will this season, as in the past two winters, from the important social link between the "first lady of the land" and the rest of womankind. Mrs. Marshall will maintain her Wednesday afternoons at home during the season, and she and the Vice-President plan a brilliant series of entertainments, probably in the form of evening receptions with dancing, such as they gave two years ago.

While the President and "first lady" are restricted in accepting invitations from the social world at large, and may, with respect to tradition, dine only with members of the Cabinet and that once a year, the Vice-President and Mrs. Marshall may represent the administration wherever they are invited.

MUNICIPAL WHARF SITES OFFERED CITY

Trustees Receive Propositions from Tacoma Mill Co. and the S. H. Frank Co.

In advancing a definite plan of action toward improving Redwood harbor, the executive committee of the chamber of commerce represented by Charles G. Landscheit, R. F. Chilcott and E. T. McGettigan brought before the board of town trustees Monday evening the offer of the S. H. Frank Company to exchange a strip of land 200 feet long and 50 feet wide along Redwood harbor near the foot of Main street for Holder and Steinberger streets. This offer would make it possible for the city to have its own docking facilities within close proximity of the principal business district. The property desired by the tanning company, known as the deep water harbor road, has not been used very much of recent years. Upon the recommendation of Trustee Tuchsen, Mayor Merrill appointed Trustees Sampson, Hahir, Deleau and Tuchsen to investigate the offer and after viewing the site will present recommendations at the next meeting of the board. The executive committee of the chamber of commerce will act in conjunction with the trustees.

That the Peninsula Rapid Transit Company plans to establish a 5-cent fare within the city limits with their half-hourly service was announced by E. T. McGettigan, secretary-manager of the chamber of commerce. The bus line will serve Wellesley Park and the Highlands as soon as a connecting street can be completed. Plans for the opening of such street are well under way.

William J. Kidd reported to the board that he had found $2416.17, delinquent city taxes had been collected by the county. A claim will be filed with the board of supervisors covering this amount.

Plans, specifications and estimates for a concrete culvert across Broadway at the intersection of that street with the state highway were ordered prepared by the city engineer to facilitate the disposal of storm water at that point.

The board ordered the purchase of a ladder truck and equipment from the San Leandro fire department for $100.

The matter of remodeling the city fire house was referred to the committee on public works. Estimates were received from Gus Waller, Daly &Mackenzie and Frank J. Zimmerman for repairing the building which were laid over until the next meeting.

City attorney Mansfield was instructed to prepare an amendment to the water rate ordinance, providing that all consumers pay their bills at the clerk's office in the city hall. Proper notices will be mailed to all consumers. This system will go into effect about February first.

An amended copy of the all night dance ordinance was presented and given its first reading. Regularly organized benificial fraternal organizations were excepted from those who will be required to secure a permit before holding all night dances.

The Southern Pacific railroad has announced its intention to commence the paving of west half of Stafford street. Also work will shortly be commenced on Winslow street. The matter of improving Broadway from the railroad crossing to the state highway was referred to City Engineer Finlay, who was instructed to prepare plans and specifications for the work which will include the construction of a 5-inch concrete base with 1½-inches of surfacing.

Forty new water meters were ordered to provide for the rapid increase of new rsidences in the city.

The board will hold an adjourned meeting Monday night, when they will meet with members of the fire department and elect officers for that organization.

NATIVE SONS AND DAUGHTERS' BENEFIT A GRAND SUCCESS

Boss of the Bar Z Ranch Played to a Large and Appreciative Audience

The local parlors of Native Sons and Native Daughters presented their benefit play last Wednesday evening to a large and appreciative audience at the Alhambra.

The play was a typical western cowboy comedy drama entitled "The Boss of the Bar Z Ranch," and portraying events of the early day ranges. All of the parts were taken by local Thespians and presented in a manner that won worlds of praise for the participants.

Florence Curtis falls heir to a ranch in Arizona on the death of her uncle. Cattle are mysteriously disappearing and there is suspicion of cattle thieves. Marvel, foreman, is practically certain that Moqui, a Mexican, and also an American cowboy are leaders of the gang. In order to divert suspicion from themselves they forge a letter relative to a shipment of cattle giving the impression that Marvel shipped, and as he has no record of this in his report, matters look bad for him. An attempted lynching is frustrated and the finding of a half-burned letter, the overhearing of a conversation, the capture of Moqui and his confession clears Marvel, and the rustlers are given their just deserts and all ends happily for the Bar Z ranchers.

The comedy of the performance was furnished by William Barg and H. W. Lampkin, as "Billy the bashful cowpuncher" and "Doc Rye" the woman hater.

Doc wants women barred from the ranch, but the arrival of Arabella, the widow, changes his opinion and soon he is head and heels in love. He frequently seeks the advice of Billy, who has troubles of his own trying to find out who Madge Marvel is in love with, being too dull to know it is himself.

Barg was especially clever in his protrayal of the bashfulness of a young cowboy. His efforts to make love to Madge were comical in the extreme.

Lampkin, as Doc Rye, the woman hater, with a sudden change of heart on the arrival of the widow was a scream.

Miss Marie McAuliffe, as Florence Curlis, the Boss, had a hard part but carried it off with honors. Miss Rose Lanfear as Madge Marvel, the sprightly cowgirl, was a hit from the start. Miss Hall as Arabella was a wonder. Her familiarity with western ways put her into many a comical position.

Bill Curran, as Frank Marvel, the foreman, had a difficult part but proved more than equal to the occasion.

Bert Werder and Heine Beeger were the villains, and of course every body was against them, but they were especially good and won much deserved applause.

Between acts the audience was entertained by Almore and Clement with fancy dances and by Thomas Hughes with impersonations of Charlie Chaplin.

The Passing of Stanley Mackenzie

Stanley G. Mackenzie, the second son of Mr. and Mrs. Donald Mackenzie of this city, breathed his last in the Southern Pacific railroad hospital in San Francisco on Wednesday evening following an illness of nearly two weeks. He was taken suddenly sick on Thanksgiving Day and was at once removed to the hospital. Spinal meningitis was the malady that caused death. Despite all that skillful physicians could do he succumbed to the dreaded disease. Mr. Mackenzie was the assistant station agent at Palo Alto, a position he filled with ability. He was held in high esteem by the company. He learned railroading at the local depot. Mr. Mackenzie was loved by his associates and friends for his manly ways and genial manner. The grief striken parents have the sympathy of the community in their sad loss. The funeral took place yesterday from the Congregational church. Rev. Stevens in the course of his eulogy over the remains said that Stanley G. Mackenzie was born in Melbourne, Australia 28 years ago and was a resident of this state 8 years. He was employed by the Southern Pacific Company for four years. He was advanced by the company several times until he became identified with the passenger department at Palo Alto. A young man of sterling qualities, he won for himself a large circle of friends. The high esteem in which he was held is shown by the many beautiful floral offerings. Heaven never seems so real to us as when it becomes the abiding place of one we have known and loved. The grass withereth, the flowers fadeth but the fragrance of a true life abideth long in the hearts of the community.

Redwood City faired very well at the hands of the congressional rivers and harbor committee at Washington on Monday when a recommendation of $10,500 for dredging Redwood City creek was made. The committee was here last summer and went over the waterway. Evidently a good impression was made upon the members by the committee here who entertained the congressmen. For instance, Stockton with its 60 miles of water way only received $15,000 while Redwood City with only three miles received almost as much.

In addition to the school sites offered to the committee the following were received during the week: Clarence E. Choate offers lot 4, block 4, Whitton and Montgomery subdivision, one and one-eighth acres for $2500; lot 2, block G, same subdivision and same amount of land for $2500. Mrs. T. G. Phelps offers a block of land in the Eastern Addition 300 by 316 feet for the list price and will sell at one-half price providing the school is named after her late husband, Hon. Timothy Guy Phelps. The reduction would amount to $1350.
